

End User License Agreement (EULA)

By using this software, you agree to the following terms. This agreement is between the User and TechCorp LLC.

1. Grant of License: TechCorp grants you a non-exclusive, non-transferable license to use the software on a single device.
2. Data Privacy: We value your data privacy. User data is strictly used for service improvements and is encrypted in transit and at rest.
3. Termination: Either party may terminate this agreement at any time.
