

Q4 Financial Report - Final v2

Executive Summary: Final review confirms record-breaking performance in Q4, with adjusted Q3 figures showing resilience after deferred revenue recognition.

This document details the financial performance over the past year. The data presented below reflects the most current audits and revenue recognitions for each quarter.

Key Takeaways

- Q1 and Q2 performed exactly to initial projections.
- Q3 sales figures were adjusted upwards to account for deferred contract revenue.
- Q4 exceeded expectations, closing out the year at an all-time high of \$230k.
