

Q4 Financial Report - Draft v1

Executive Summary: Initial review shows strong performance in Q4, though Q3 was notably weaker than expected.

This document details the financial performance over the past year. The data presented below reflects the most current audits and revenue recognitions for each quarter.

Key Takeaways

- Q1 and Q2 performed exactly to initial projections.
- Q3 saw a significant dip in sales due to seasonal effects.
- Q4 rebounded nicely, closing out the year at \$200k.
